Lincat frifri

LD3 - Lincat Seal Counter-top Heated Display with Gantry - 3 x 1/1 GN - W 1130 mm - 2.4 kW

- Minimum food holding temperature of 72°C
- Thermostatic control allows base heat to be adjusted to suit a variety of food products
- Aluminium surface for energy-efficient heat conduction

The Seal Heated Display with Gantry is perfect for when you want to attract customers with delicious dishes and offer a low budget solution to keeping pre-cooked food warm at the same time.

- An affordable choice for when overhead heat and illumination is not needed – for example where covered dishes are served
- Robust stainless steel construction hygienic and easy to clean
